

# DMX PROFILES FOR

## HELIOS TUBE (FP2 / FP2-BTB) AND

## AX2-50 PIXELBAR (AX2-50)

This document has two tables of contents. The first one is based on the pixel count and whether strobe is turned on or off.

The second one is a numeric index where you can locate a DMX table by its number quickly.

### Profiles in logical order

|                                                        |           |
|--------------------------------------------------------|-----------|
| <b>Pixel=1 Strobe=Off .....</b>                        | <b>11</b> |
| 1: RGB (PIXEL = 1; STROBE = OFF).....                  | 11        |
